Adam.	F	18-25	Daytrip	Somewhat	Sing.	N	76-100	We know how busy the ski hill can be and even though it's a mostly outdoors activity, we're nervous about the contact that does happen.
Adam.	F	25-34	2nd Home	Somewhat	Marr.	Y	101-125	Close proximity to other skiers at the gondola and in the gondola
Adam.	F	25-34	Daytrip	Strongly	Marr.	N	126-150	It's more the reservation system and all the hoops to jump through just to snowboard. If I pay for a pass, I want to be able to go when I want.
Adam.	F	35-44	2nd Home	Somewhat	Marr.	Y	51-75	How can we get in enough days of skiing to make the pass worthwhile, since are current lodging at the mountains is unavailable with another household that we usually share with ate using it? It will make it more difficult with the drive, instead of coming up the night before.
Adam.	F	35-44	Weekend	Somewhat	Marr.	Y	150K+	NO childcare or ski lesson options for young kids
Adam.	F	35-44	Daytrip	Strongly	Sing.	Y	31-50	Way too many people. Since everyone is just now coming out of lockdown the world is eager just to get out so it's going to be a lot of non-skiers trying to ski that's not a good recipe for anybody
Arap.	F	18-25	Daytrip	Somewhat	Marr.	N	51-75	It will be difficult to make reservations that work for us. And I don't want it to be so busy when I only have limited time on the slopes
Arap.	M	18-25	Daytrip	Somewhat	Sing.	N	30K	The fuckin parking reservations are some bullshit man.
Arap.	F	25-34	Local	Strongly	Marr.	N	126-150	IKON did not refund my ski pass and I paid full price to ski one day. Also sounds ridiculous to have to reserve a day to ski.
Arap.	M	25-34	Daytrip	Somewhat	Sing.	N	126-150	Reservations
Arap.	F	25-34	Daytrip	Strongly	Marr.	Y	101-125	We have a 1 year old and don't want to put him in a ski school daycare during the pandemic otherwise we would still be going.

Arap.	F	35-44	Weekend	Strongly	Marr.	Y	150K+	The risk of potentially getting Covid is biggest reason but also the experience of the mountain I feel won't be the same. Reservations to park, the restrictions on number of people in lodge/restaurants. It just doesn't seem worth the cost for a less than experience.
Arap.	M	45-54	Daytrip	Strongly	Marr.	Y	150K+	Unsure if the ski resorts are putting in safety measures that work and the increasing number of COVID cases
Arap.	F	55-64	Weekend	Strongly	Sing.	N	30K	COVID
Arap.	F	55-64	Daytrip	Somewhat	Sing.	N	101-125	If I have to make an appointment and it's a pain in the ass then I'll take up cross-country skiing and defer my Ikon pass until next year. Also I'm nervous about skiing once and then it all gets shut down and I lose out on a \$600 season pass.
Arap.	F	55-64	Daytrip	Strongly	Ref	N	51-75	My Epic Insurance was not honored for Covid, I feel completely ripped off, skiing will also be restricted this year and my pay was cut. Wasted my money last year and won't do it again this year.
Bould.	M	18-25	Daytrip	Somewhat	Sing.	Y	Ref	I don't wanna invest in a pass and have the mountains close down or have to make an appointment every time I want to ski
Bould.	F	18-25	Local	Somewhat	Sing.	N	76-100	I'm worried it's not going to be the same and the rules for Covid will take away from the fun of going skiing, I think Covid rule there will be really long lift lines, no areas to eat long lines for food no table space and difficulty to social distance and have a good time on the slopes
Bould.	M	18-25	Local	Somewhat	Sing.	N	30K	Reservation dates for ski resorts. Backcountry seems like a better option this season
Bould.	M	25-34	Daytrip	Strongly	Marr.	N	150K+	COVID-19
Bould.	F	25-34	Daytrip	Strongly	Sing.	N	76-100	Too busy on the hill and on the drive up

Bould.	F	25-34	Local	Somewhat	Sing.	N	126-150	Traveling and accommodations may pose more of an exposure threat to COVID. The additional measures some ski areas have taken, while commendable and thoughtful, also require a lot of advance planning that makes things less fluid (ie booking parking in advance, ticket sales, etc.)
Bould.	M	25-34	Daytrip	Somewhat	Sing.	N	31-50	Will get a day pass for when I go. Not buying a season pass for fear of the slopes closing from Covid
Bould.	M	35-44	Weekend	Somewhat	Sing.	N	150K+	Concern about the resorts not being well prepared to manage the number of people and risk from the virus - either unsafe or too long of lines, either way not a good situation.
Bould.	F	35-44	2nd Home	Strongly	Marr.	N	Ref	I am concerned about overly restrictive policies that will make the investment not worth it. I view skiing as an outdoor sport that lends itself to a safe environment & don't need to be yelled at by a lift attendant for "health" protocols
Bould.	F	45-54	Weekend	Strongly	Marr.	N	126-150	1. Covid (if there was no Covid, see #2) 2. Traffic getting to the mountain
Bould.	M	45-54	Local	Strongly	Sing.	N	31-50	COVID-19
Bould.	M	45-54	Weekend	Strongly	Sing.	N	126-150	do not trust other people, and indoor areas at resorts
Bould.	F	45-54	Daytrip	Strongly	Marr.	Y	76-100	Too many runny nose on metal chairlifts
Bould.	M	55-64		Strongly	Marr.	N	76-100	Getting COVID
Bould.	F	55-64	Weekend	Somewhat	Ref	R	Ref	Lack of lodge capacity due to social distancing, skier disregard for mask-wearing and social distancing, high prices for food and lift tickets in the middle of a pandemic/economic downturn, no-refund policies by major resorts.
Bould.	M	55-64	Daytrip	Somewhat	Marr.	Y	150K+	Needing Reservations, lack of lodging, no cafes or restaurants open, long lines, waiting list to see if you can be on the mountain and limited parking
Bould.	M	55-64	Weekend	Strongly	Marr.	N	150K+	The virus is burning out of control in Colorado due to poor decisions on the part of all levels of government in the summer. Mixing it up with crowds this winter is out of the question.

Bould.	F	55-64	Daytrip	Strongly	Marr.	N	150K+	We are concerned that only the powder days will be crowded and then we won't be able to get reservations for those days which are the main days we want to ski.
Chaff.	F	25-34	Daytrip	Somewhat	Marr.	Y	76-100	Because the ski areas around aren't doing day passes. And require \$500 or more for a season pass to participate.
Chaff.	M	25-34	Daytrip	Somewhat	Marr.	N	76-100	Not sure how available days are; scared of heading to the mtn and being turned away cause they're at capacity
Chaff.	M	35-44	Local	Strongly	Marr.	Y	51-75	We are afraid that Governor Pollis will shut down the ski resorts and we wasted all that money
Chaff.	D	45-54	Local	Somewhat	Marr.	N	101-125	Because there will be no where to get warm that has positive air make up " good ventilation " . I don't trust ski areas Hvac systems for air exchange
Chaff.	F	55-64	Local	Somewhat	Marr.	N	76-100	The hassle.
Clr. Crk.	F	25-34	Daytrip	Somewhat	Marr.	N	150K+	Due to the high numbers of coronavirus in the state. Even with skiing being an outdoor activity, I worry about the number of people on the mountain.
Clr. Crk.	F	45-54	Local	Somewhat	Sing.	N	51-75	Restrictions on when and where I ski. I cannot always predict my days off and therefore the reservation system limits me
Clr. Crk.	F	55-64	Local	Strongly	Marr.	N	150K+	Not worth the risk. Lots of people from Everywhere and young people. Too many people not following the guidelines.
Clr. Crk.	M	65+	Daytrip	Somewhat	Sing.	N	76-100	Covid situation
Conej.	F	35-44	Daytrip	Strongly	Marr.	Y	101-125	I don't trust people in this state or the ones that come from Texas to follow basic health guidelines in a regular time, and they've proved themselves selfish in a pandemic.
Denv.	F	18-25	Weekend	Somewhat	Sing.	N	31-50	Coronavirus
Denv.	F	18-25	Weekend	Somewhat	Sing.	N	76-100	I plan to ski but I fear I will not get as many days in because of the reservation system

Denv.	F	25-34	Weekend	Strongly	Marr.	Y	30K	Because I disagree with the mandates and policy changes and don't feel the lines will be worth supporting a company that supports the mandates.

Denv.	F	25-34	Daytrip	Strongly	Sing.	N	51-75	Covid, long lines, expensive with economic uncertainty, don't want to waste a pass if the resorts close mid-season
Denv.	F	25-34	Local	Somewhat	Sing.	N	101-125	Covid/reservation system - only like to ski on powder days. Very last minute snowboarder (decide to go last minute based on conditions)
Denv.	F	25-34	Weekend	Somewhat	Marr.	N	150K+	Difficult to distance inside when going to restroom or at restaurants. People are usually blowing their nose more often in the cold.

Denv.	M	25-34		Somewhat	Sing.	N	150K+	Too much of a pain in the ass. (Fighting 170 - fighting reservations - long lift lines)
Denv.	F	35-44	Daytrip	Somewhat	Marr.	Y	101-125	Because the first case of corona was on the ski mountains scared to death of getting it

Denv.	F	35-44	Weekend	Somewhat	Sing.	N	51-75	The hassle of reserving a time. Concern about lines abs concern about people gathering even in snow gear.
Denv.	F	35-44	Daytrip	Somewhat	Sing.	N	150K+	The spread of COVID at ski resorts in the winter/spring was really alarming. If I can manage day trips, I'll be likely to try and go.
Denv.	F	45-54	Weekend	Strongly	Sing.	N	Ref	1) risk of being too close in big crowds 2) not worth sitting in traffic 3) cost, too expensive
Denv.	M	45-54	Weekend	Somewhat	Marr.	N	150K+	Covid safety...as long as resort and guests are behaving in a safe manner, it's not an issue...if they are not being safe, it is an issue.

Doug.	M	18-25	Daytrip	Somewhat	Sing.	Y	51-75	Financial reasons. Not knowing where the economy is headed both locally and nationally. What will jobs look like? Skiing is pricey.
Doug.	M	25-34		Strongly	Ref	R	Ref	Price of lift tickets/season passes. No guarantees of refunds due to COVID closures
Doug.	F	35-44	Daytrip	Strongly	Marr.	Y	150K+	I think the ski resorts will need to shut down again t some point. It's a lot of money to get my whole family get ready to ski each season, and I don't think it's worth it bc things will just shut down. Also I don't want to have to deal with reservations, etc.
Doug.	F	35-44	Daytrip	Strongly	Marr.	N	126-150	The new pass structure regarding reservations is limiting. Usually I don't know if I'm headed up until the night before.
Doug.	M	45-54	Weekend	Somewhat	Marr.	Y	150K+	Believe we may end up in a lockdown again and ski passes give me no confidence that I will get my money back.
Doug.	F	45-54	Weekend	Somewhat	Marr.	Y	150K+	It's because everybody won't follow the same health guidelines, it's not the resorts who aren't following the guidelines, it's the people from all over who will come in and flagrantly disregard the rules because they believe there's no virus. You only need to look as far as Sturgis, South Dakota to see what happened as a result of their bike rally.
Doug.	M	45-54	Weekend	Strongly	Marr.	Y	150K+	Seems to be too much of a pain with reservations or parking issues. Also how do you get lunch or toilet breaks without comingingly?
Eagl.	F	25-34	Daytrip	Strongly	Sing.	N	76-100	Can't socially distance on a ski lift. Getting too damn expensive to ski. Too much traffic congestion.

Eagl.	F	25-34	Local	Strongly	Sing.	N	31-50	Money, I dont have a job that supplies a ski pass, I also got covid in february and was sick for 4 months I missed out on skiing before they closed the resort and a 180 dollar compensation from vail resorts was not enough to make me come back. Also what if I get covid again and miss skiing that would just mean I'm burning money away.
Eagl.	M	25-34	Local	Somewhat	Marr.	N	126-150	The reason being is Vail resorts is a joke and I am not buying a pass with them for a \$1000 to go stand in some line or make a reservation to ski when I live in vail
Eagl.	M	25-34	Local	Somewhat	Marr.	N	Ref	The reservation system of Vail resorts. I like to make plans morning of, based on overnight conditions. Plus, Mtn capacity is not the problem, its distancing on chairlifts, in lift lines, and inside facilities. There are ways to address these issues without forcing people to decide their days months in advanced.

Eagl.	F	35-44	Local	Somewhat	Marr.	Y	150K+	We have an at-risk family member at home, I don't trust that tourists will follow safety protocols. Mask wearing seems unenforceable on lifts, etc

Garf.	F	35-44	Local	Strongly	Marr.	Y	51-75	Shuttle buses are too crowded and that is the only way to access our resort from day parking. Public restrooms are severely limited. Larim.	F	25-34	Daytrip	Somewhat	Sing.	Y	76-100	I’m not wanting to be around people that aren’t in my immediate social circle, even though I’d be outside most of the time. The need to occasionally go inside is what makes me nervous (e.g. to use the restroom, refill my water bottle, etc). I also am not sure I want to deal with the headache of making reservations (if the mountain requires), competing for parking spots, etc. Having to get up before dawn, to get to the mountain before everyone else does, to make sure I get a parking spot is already a lot to manage. Adding on reservations (depending on the resort) may be too much! Skiing just costs too much already to not necessarily be guaranteed a reservation/parking spot/safety of the virus.

Summ.	F	25-34	Local	Somewhat	Marr.	Y	51-75	Summit county, Colorado and the country’s cases are skyrocketing. While skiing is outside, rentals, bathrooms, restaurants, retail, apres, lodging, air bnb is a lot harder to regulate. Even with the restrictions currently in place I’ve seen A LOT of companies and people not abiding by the rules. I’ll be surprised if the season survives through the 1st of the new year. I would think these counties would be doing more to protect locals and guests but it seems money is the #1 priority. Summit county has numbers that should be considered safer at home and yet they are choosing to stay in organge? Why? No social distancing in lift lines so far and most of the visitors are from the south who many don’t believe the virus even exists. I’d rather skip this season and know things are safer instead of winging it when it seems the counties and resorts are also winging it just trying to make money.
