

Colorado Fire Protection Policy Opinion Survey

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
F	55-64	NE	Big Thompson River	Strongly Approve	Community is well protected and fire mitigation seems adequate
F	55-64	NE	Big Thompson River	Strongly Approve	Greatly appreciate Chief Sendlebach and his team of qualified professionals.
F	55-64	NE	Big Thompson River	Strongly Approve	Response times, adequate located fire stations,public outreach, and I'm in a very suburban area
F	55-64	NE	Big Thompson River	Strongly Approve	Working on Fire mitigation grants for home owners to get help mitigating. We live in the mountains.
M	55-64	NE	Big Thompson River	Strongly Approve	Preparing areas in the path of fires. Keeping community posted on events.
M	55-64	NE	Big Thompson River	Strongly Approve	The response to request for service
F	65+	NE	Big Thompson River	Strongly Approve	Any first responder are vital to the community. They save lives while risking their own. Hero's
F	65+	NE	Big Thompson River	Strongly Approve	Quickly respond to wildfires and grass fires
F	65+	NE	Big Thompson River	Strongly Approve	Responsive to calls reports
F	65+	NE	Big Thompson River	Strongly Approve	Their response time has improved.
F	65+	NE	Big Thompson River	Strongly Approve	They are involved in the community; they risk their lives and health for us
F	65+	NE	Big Thompson River	Strongly Approve	They're amazing, work hard and don't get paid enough for what they do.
F	18-34	NE	Big Thompson River	Strongly Approve	Local department has fast response and good communication
F	18-34	NE	Big Thompson River	Strongly Approve	Quick, efficient, and good at what they do!
F	18-34	NE	Big Thompson River	Strongly Approve	The PFA (Poudre Fire Authority) has rigorous standards for their firefighters. They are of high character; which lends to their ability to learn, grow, train, and serve the community with a mindset of selflessness
F	18-34	NE	Big Thompson River	Strongly Approve	They're amazing. They truly care about our community
M	18-34	NE	Big Thompson River	Strongly Approve	I appreciate the quick response to minimize damages, while understanding fire is a part of nature that cannot be stopped entirely. I feel good forestry management has been in place and can see restoration of burnt areas in a prompt manner. This is incredibly appreciated for keeping forest use open to trail users, campers and hunters alike.
M	18-34	NE	Big Thompson River	Strongly Approve	We just had the Cameron peak fire and incredible response by our firefighters. Great communication with us daily about status of the fire, tracking of the fire and impacts to aqi, and affected communities. Hats off.

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
M	35-44	NE	Big Thompson River	Strongly Approve	I don't know exactly... I never hear about any problems or issues that would reflect negatively on them. So it's a positive view of them - that I hold
M	35-44	NE	Big Thompson River	Strongly Approve	Stopped a raging fire a few years ago
F	45-54	NE	Big Thompson River	Strongly Approve	I live not too far from local fire department and can say our guys always on duty and doing their hard work every single day
F	45-54	NE	Big Thompson River	Strongly Approve	We have great fire departments in Greeley and Evans but they are mostly city and not mountain departments although the go if called.
M	45-54	NE	Big Thompson River	Strongly Approve	Great at responding to and preventing fires
M	45-54	NE	Big Thompson River	Strongly Approve	They're very professional and caring people. Educated in medical care as well.
F	55-64	NE	Coal Creek	Strongly Approve	Because they try hard. But I'm sure they need way more help and equipment
F	55-64	NE	Coal Creek	Strongly Approve	Firefighters came out to assess our property and helped with mitigation
F	55-64	NE	Coal Creek	Strongly Approve	Responsiveness
M	55-64	NE	Coal Creek	Strongly Approve	In Gilpin County they are trying to setup clear out areas
M	55-64	NE	Coal Creek	Strongly Approve	My house has not burned down yet
M	55-64	NE	Coal Creek	Strongly Approve	Well, Marshall Fire for one.
F	65+	NE	Coal Creek	Strongly Approve	Because they are diligent and conscientious.
F	65+	NE	Coal Creek	Strongly Approve	For safety and hoping for the decrease of fire in coming years
F	65+	NE	Coal Creek	Strongly Approve	I see them practice and train
F	65+	NE	Coal Creek	Strongly Approve	I think my local fire department is doing the best they can with the equipment they have
F	65+	NE	Coal Creek	Strongly Approve	Last two fires I saw that Earlier mitigation efforts and experience with past fires made a difference in response
F	65+	NE	Coal Creek	Strongly Approve	Our local fire department is responsive and readily available.
F	65+	NE	Coal Creek	Strongly Approve	Putting in long hours during fires. Responding quickly
F	65+	NE	Coal Creek	Strongly Approve	They have participated in fire mitigation for property owners, however recently, because of management changes at station on upper Flagstff, this has stopped???
F	65+	NE	Coal Creek	Strongly Approve	They jump right on it, get the necessary equipment and people they need and change shifts as needed.

Colorado Fire Protection Policy Opinion Survey

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
F	65+	NE	Coal Creek	Strongly Approve	Works with the state's initiatives, serves as volunteers also with neighboring communities AND up in the parks and towns and counties of the foothills. mountains, and state. they are dedicated, community-minded, and overworked.
M	65+	NE	Coal Creek	Strongly Approve	We live beside the fire station and see how often they are off to help someone
F	18-34	NE	Coal Creek	Strongly Approve	I don't know about Boulder specifically, but I was so impressed by how the Marshall fire was handled. I have the sense that the responses are always very fast and thorough with any fire in Boulder.
M	18-34	NE	Coal Creek	Strongly Approve	My wife and I have required the services of our local fire department and were very satisfied with their rapid response and expertise.
M	18-34	NE	Coal Creek	Strongly Approve	Preventative defensible space efforts in the foothills above Boulder, impressive job with Marshall and Nelson fires over the last couple years, despite locally limited resources.
M	18-34	NE	Coal Creek	Strongly Approve	Responses to the myriad fires I've experienced in my life here seem to be prompt and correct. They're just so damn big with such extreme exacerbating weather conditions that I don't know what else can be done.
F	35-44	NE	Coal Creek	Strongly Approve	They are helping people not killing people like the democrats
F	35-44	NE	Coal Creek	Strongly Approve	They're ready and available to help, they're very responsive
F	45-54	NE	Coal Creek	Strongly Approve	Our Colorado fire department's are amazing!!!!
F	45-54	NE	Coal Creek	Strongly Approve	Our fire fighters risk their lives keeping the community safe... they are better than police, and EMTS combined  . They do it all.
F	45-54	NE	Coal Creek	Strongly Approve	They are quick to respond.
M	45-54	NE	Coal Creek	Strongly Approve	I have seen them being proactive in applying mitigation techniques in areas of concern.
M	45-54	NE	Coal Creek	Strongly Approve	They are properly equipped and trained for the job, and are expanding facilities and capabilities to meet changing requirements
M	45-54	NE	Coal Creek	Strongly Approve	They issue tips and warnings to try to keep people safe. Most of the fires are from people failing to listen to fire-fighters.
F	55-64	NE	Table Mtn.	Strongly Approve	Conscience and thorough.

Colorado Fire Protection Policy Opinion Survey

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
F	55-64	NE	Table Mtn.	Strongly Approve	See them promptly responding to fires in my neighborhood.
F	55-64	NE	Table Mtn.	Strongly Approve	There are (manned) firehouses within less than 10 minutes of the neighborhoods. I think there are st least 3 firehouses in the community. If there is anymore development more firehouses need to be considered I suppose.
F	55-64	NE	Table Mtn.	Strongly Approve	We had issues last spring/summer with residents in Roxborough Park burning open firepits in windy weather, with flames leaping more than 3 feet high. The local West Metro fire dept responded to our report within an hour. I believe they convinced the resident to be more fire aware, because the firepit was removed this year. We also become aware of West Metro fire dept actions via our neighborhood Facebook pages. For example, they address grass fires that break out from holiday fireworks, grilling incidents, and so forth.
M	55-64	NE	Table Mtn.	Strongly Approve	I believe the Fire Districts are working harder to educate their constituents. In addition, I believe the Districts are working harder to attain grants that would allow additional preventative measures be put in place to reduce the Fire risk.
M	55-64	NE	Table Mtn.	Strongly Approve	I know people at West Metro, they are well trained and I see them practicing putting out fires
M	55-64	NE	Table Mtn.	Strongly Approve	No fires that they couldn't handle
M	55-64	NE	Table Mtn.	Strongly Approve	The Fire Department has the expertise on staff, responds quickly and appropriately to threats. They are hindered by a lack of funding and careless residents.
M	55-64	NE	Table Mtn.	Strongly Approve	Very well equipped and stationed in the city
F	65+	NE	Table Mtn.	Strongly Approve	A couple years new to the area, no real issues to date. Have not heard any negative. So I want to support them, even just positive comments support. If their were negatives, I would comment on that.
F	65+	NE	Table Mtn.	Strongly Approve	Fires have been put out in a timely manner.
F	65+	NE	Table Mtn.	Strongly Approve	Hard workers trying their best to protect us!
F	65+	NE	Table Mtn.	Strongly Approve	They always resoond quickly frkm what I can tell

Colorado Fire Protection Policy Opinion Survey

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
F	65+	NE	Table Mtn.	Strongly Approve	They are quick to get to a fire.
F	65+	NE	Table Mtn.	Strongly Approve	They're responsive and effective.
F	65+	NE	Table Mtn.	Strongly Approve	Unmitigated sirens and I see no fires around here.
M	65+	NE	Table Mtn.	Strongly Approve	Involved w/community fire prevention efforts
M	65+	NE	Table Mtn.	Strongly Approve	Local FD is on task. Quick mitigation of grass fires in the community
M	65+	NE	Table Mtn.	Strongly Approve	Seem to arrive in a timely manner, and then in the Denver metro area, at least are well trained.
M	65+	NE	Table Mtn.	Strongly Approve	Staffing, training, equipment
M	65+	NE	Table Mtn.	Strongly Approve	They are doing a great job
M	65+	NE	Table Mtn.	Strongly Approve	They are proactive in mitigation. They respond quickly to fires started by idiots with fireworks.
M	65+	NE	Table Mtn.	Strongly Approve	They do their jobs
M	65+	NE	Table Mtn.	Strongly Approve	They seem professional, aware and prompt.
M	65+	NE	Table Mtn.	Strongly Approve	We live in Candelas and a fire station was just built next to our development
M	65+	NE	Table Mtn.	Strongly Approve	While I have not had a need to call the fire department neighbors have and the response has been excellent.
F	18-34	NE	Table Mtn.	Strongly Approve	Louisville fire of Dec 2021 proved their hard work and responsiveness.
F	18-34	NE	Table Mtn.	Strongly Approve	They are doing what they can to protect us from wildfires.
M	18-34	NE	Table Mtn.	Strongly Approve	Helped my neighbor when she was sick and couldn't open the door for paramedics. I never see smoke in my neighborhood and they are very good at maneuvering through traffic.
M	18-34	NE	Table Mtn.	Strongly Approve	I feel safe and that's their job
M	18-34	NE	Table Mtn.	Strongly Approve	Last 4th of July a fire broke out nearby and they responded quickly and efficiently
M	18-34	NE	Table Mtn.	Strongly Approve	They have done a good job at protecting Denver
M	18-34	NE	Table Mtn.	Strongly Approve	They responded to a medical emergency for a friend of mine, they were very prompt, professional and knowledgeable. I always forget firefighters are also medical professionals. I feel very safe in my community of Longmont
M	18-34	NE	Table Mtn.	Strongly Approve	They're good
O	18-34	NE	Table Mtn.	Strongly Approve	They're hot and nice

Colorado Fire Protection Policy Opinion Survey

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
F	35-44	NE	Table Mtn.	Strongly Approve	Each county has kept a keen eye and implemented fire restrictions when necessary.
F	35-44	NE	Table Mtn.	Strongly Approve	I live in the suburbs away from wild land urban interfaces. My local fire department doesn't need to do anything special for wild land fire mitigation.
F	35-44	NE	Table Mtn.	Strongly Approve	Our volunteer fire departments are always quick to respond with the support of surrounding agencies and County road and bridge support for their efforts. They are also very supportive of educational programs that include disaster readiness and fire wise landscaping
F	35-44	NE	Table Mtn.	Strongly Approve	Quick response times. They are not responsible for policies about clearing the brush out but they do a great job. South metro is one of the best in the country
F	35-44	NE	Table Mtn.	Strongly Approve	They promote fire safety in schools for children and seem to be very responsive when needed.
M	35-44	NE	Table Mtn.	Strongly Approve	Driving around giving people shit for their firepits when there are stage 3 (or whatever the bad one is) burn restrictions. I hate those fire pits.
M	35-44	NE	Table Mtn.	Strongly Approve	Good response time. Puts out fires when called.
M	35-44	NE	Table Mtn.	Strongly Approve	Mainly because we have been as close as pre evacuation orders but the local fire department pooled it's resources and was able to gain control and containment before actual evacuation orders went out. This happened within the past year or so.
M	35-44	NE	Table Mtn.	Strongly Approve	Recently had a fire and they were very quick to respond and extinguish it.
M	35-44	NE	Table Mtn.	Strongly Approve	Their response times are impeccable, their service to our community and its citizens is the best in the state.
M	35-44	NE	Table Mtn.	Strongly Approve	They are extremely aggressive in their daily operations. The public safety is their number one concern
F	45-54	NE	Table Mtn.	Strongly Approve	I think the local fire department is doing their best. I would love to see information given to local HOAs about the lessons fire departments learned from the Marshall fire in hopes that we can be proactive if/when a similar fire threatens our homes.

Colorado Fire Protection Policy Opinion Survey

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
M	45-54	NE	Table Mtn.	Strongly Approve	Douglas County is taking the fire risk seriously and doing things to increase their ability to respond.
M	45-54	NE	Table Mtn.	Strongly Approve	I haven't seen a house burn to the ground and they do a good job of helping me keep my business fire safe when they come in for my inspection
M	45-54	NE	Table Mtn.	Strongly Approve	Our local fire chief is always close and the response times are short
M	45-54	NE	Table Mtn.	Strongly Approve	Wild fires destroy life and property and any attempt to reduce it is great.
O	45-54	NE	Table Mtn.	Strongly Approve	Because there are no fires here. They are immediately put-out and It's plainly obvious that fire-fighters and first-responders work very hard to keep us all safe. They always impress me.
F	55-64	NW	CO River	Strongly Approve	I have not seen nor do I see an out of control fire. excellent community firefighter presence here and training/qualifications are top notch.
M	55-64	NW	CO River	Strongly Approve	They handle local fires very well
F	65+	NW	CO River	Strongly Approve	I have no reason to not approve how they respond.
F	65+	NW	CO River	Strongly Approve	Just a perception really not sure why.
F	65+	NW	CO River	Strongly Approve	Responsive to fires - require permitting for fires for field burning
M	65+	NW	CO River	Strongly Approve	A good job they stay on top of it
M	65+	NW	CO River	Strongly Approve	From what I hear, they seem to get to the fire issues in good time.
M	65+	NW	CO River	Strongly Approve	They are well funded and as far as I know, they have the infrastructure, equipment and personnel needed to do the jo. If keeping us safe.
M	65+	NW	CO River	Strongly Approve	They get the job done!
M	18-34	NW	CO River	Strongly Approve	Carbondale Fire has been doing a fantastic job in the roaring fork and tri county area.
M	18-34	NW	CO River	Strongly Approve	It is a smaller single fire station without a large staffing pool that run over 4000 calls per year
M	35-44	NW	CO River	Strongly Approve	They are doing a great job with what they can control. Climate is what we are battling so not a lot humans can do in many cases
F	45-54	NW	CO River	Strongly Approve	They are quick to respond and are professional
M	45-54	NW	CO River	Strongly Approve	Fast response times
M	45-54	NW	CO River	Strongly Approve	On the scene minutes after lightning started a fire by our home.

Colorado Fire Protection Policy Opinion Survey

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
M	55-64	NW	Headwaters	Strongly Approve	The RWB, US Forest Service is in process of removing fuels, both standing dead and ladder fuels.
F	65+	NW	Headwaters	Strongly Approve	They worked up to 48hrs a shift to fight the troublesome fire. All the county fire districts came together to fight the fire. We had firefighters who had moved on come help. They helped with evacuation.
F	45-54	NW	Headwaters	Strongly Approve	Summit Fire and EMS had adopted several standards to help reduce wildfire risk. The Fire wise communities are safer than those that have not implemented.
F	45-54	NW	Yampa River	Strongly Approve	We live in the mountains and they do a great job of wildfire awareness building, making sure residents are aware of mitigation resources, and they do a good job w/ fire bans, and education/enforcement around fire bans
F	55-64	SE	Arkansas River	Strongly Approve	Fire department is great it's the stupid laws that are making Colorado unsafe with fires
M	55-64	SE	Arkansas River	Strongly Approve	Have not heard of any issues
M	65+	SE	Arkansas River	Strongly Approve	Prumarily, Pro-active wildfire education and mitigation.
F	18-34	SE	Arkansas River	Strongly Approve	They get fires out in a quick manner. A few months ago they kept a fire away from my home along with many other homes
F	35-44	SE	Arkansas River	Strongly Approve	Because they do whatever they have to do whenever it needs to be done
F	55-64	SE	Pikes Peak	Strongly Approve	I think they are responding in an appropriate manner to fires. The fire department and district seems well prepared.
F	55-64	SE	Pikes Peak	Strongly Approve	The Falcon Fire Department has quick responses when called and they're all trained firefighters,
F	55-64	SE	Pikes Peak	Strongly Approve	They are efficient, effective and professional
F	55-64	SE	Pikes Peak	Strongly Approve	They have come to our properties to give advice on fire mitigation measures. They provide chipping events to collect fry brush.
M	55-64	SE	Pikes Peak	Strongly Approve	Great group of people
M	55-64	SE	Pikes Peak	Strongly Approve	They are doing the best they can with the drastic increase in residential home's ,and commercial buildings.

Colorado Fire Protection Policy Opinion Survey

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
M	55-64	SE	Pikes Peak	Strongly Approve	Where I live I see fire dispatched on a regular basis, I'm am of the opinion if they were not doing something right it would be known. I support and respect the fire fighters and the risky work they do. If it's funding you need you always have my vote.
F	65+	SE	Pikes Peak	Strongly Approve	Prompt responses to fires.
F	65+	SE	Pikes Peak	Strongly Approve	Quick response.
F	65+	SE	Pikes Peak	Strongly Approve	They respond to community as well as private residence requests for fire education - mitigation and will come to one's home to inspect the property, giving feedback for improvements.
F	65+	SE	Pikes Peak	Strongly Approve	They have been holding meetings to educate the community on the wildfire risk in our community
M	65+	SE	Pikes Peak	Strongly Approve	Free mitigation disposal
M	65+	SE	Pikes Peak	Strongly Approve	Our fire department is a valuable asset to our community and is service oriented
M	65+	SE	Pikes Peak	Strongly Approve	Outstanding performance, training, and personnel.
M	65+	SE	Pikes Peak	Strongly Approve	They are always ready when needed
M	65+	SE	Pikes Peak	Strongly Approve	We meet with the fire marshal twice a year to review fire mitigation steps for going forward.
F	18-34	SE	Pikes Peak	Strongly Approve	They are dying the best they can with their resources
M	18-34	SE	Pikes Peak	Strongly Approve	They're present and engaging with the community
O	18-34	SE	Pikes Peak	Strongly Approve	In Chaffee County we have set up a percentage of our sales tax that is being used to clean up federal and state forest land (which makes up close to 80% of the county) since little was being done by those agencies.
F	35-44	SE	Pikes Peak	Strongly Approve	They play an important roll in our community
F	35-44	SE	Pikes Peak	Strongly Approve	We just increased pay for them, so they better be doing better
M	35-44	SE	Pikes Peak	Strongly Approve	Divide Fire Dept. is 100% volunteer and they do the absolute best they can with the limited resources they are allotted.
M	45-54	SE	Pikes Peak	Strongly Approve	Mitigation and community outreach. Creating fire wise communities. Monument fire kicks ass!
M	45-54	SE	Pikes Peak	Strongly Approve	They have been quick to respond to all fires in the past

Colorado Fire Protection Policy Opinion Survey

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
M	45-54	SE	Pikes Peak	Strongly Approve	They have mitigation programs in our area that myself and several neighbors have participated in. We live in the area affected by the Waldo Canyon fire a decade ago so we pay close attention to and support fire prevention activities.
M	55-64	SE	San Luis Valley	Strongly Approve	It's all volunteer and they're always there to help.
M	65+	SE	San Luis Valley	Strongly Approve	They can only do what they can with the equipment they have. The forest service closed down a lot of roads to the public so that the people like me can't get fire wood. That is why our forests burn. A lot of dead trees that need to be taken by logging or the people that burn wood.
F	18-34	SE	San Luis Valley	Strongly Approve	South Fork Fire Rescue is very proactive and adequately equipped with highly trained personnel to provide top notch response and fire prevention, and only continues to improve.
M	45-54	SE	San Luis Valley	Strongly Approve	The forest service is letting the forest over grow. Old growth and beetle kill need to be logged out.
F	55-64	SW	San Juan River	Strongly Approve	They are very professional. They support other fire agencies in the area (Forest service, etc.). All the small fire departments also support each other. Strong first responder community.
M	55-64	SW	San Juan River	Strongly Approve	Fast and efficient response. Fire prevention education. Community involvement.
M	55-64	SW	San Juan River	Strongly Approve	Proactive hiring and equipment assignment, grant applications, training and community outreach.
M	55-64	SW	San Juan River	Strongly Approve	They've done an awesome job of fighting nearby fires. They're also doing a lot of fire mitigation work locally.

Colorado Fire Protection Policy Opinion Survey

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
F	65+	SW	San Juan River	Strongly Approve	Our development, Falls Creek Ranch, is a Firewise Community with a lot of support and work toward fire mitigation and safety. In 2018, the 416 fire, the ranch was saved due to the efforts of residents and grants. The firefighters were awesome. They were nonetheless still in danger, in spite of Firewise efforts, as the ranch dead ends with no way out. No houses on the ranch were touched. Plus our habitat has been entirely preserved. Had it not been for the firefighters, FCR would have been a charred area with no homes and no habitat for wildlife. They are heroes and respected + appreciated beyond words. Wish the Forrest Service would commit to the same effort that FCR has made to create a safer environment - especially fir wildlife habitat.
F	65+	SW	San Juan River	Strongly Approve	They are always prepared to answer a call when they are needed.
M	65+	SW	San Juan River	Strongly Approve	Increased visability when lightning and dry conditions are in the vicinity.
O	65+	SW	San Juan River	Strongly Approve	I feel like Falcon fire department has my best interest in mind. I feel their best interests and determination is at mind when it comes to my safety.
F	18-34	SW	San Juan River	Strongly Approve	They're active in the community and actively looking for ways to mitigate fire damage
O	18-34	SW	San Juan River	Strongly Approve	San Juan Hotshots do amazing things!!!
F	35-44	SW	San Juan River	Strongly Approve	Good response time and tireless protection
F	35-44	SW	San Juan River	Strongly Approve	Quick response and proactive community engagement
F	45-54	SW	San Juan River	Strongly Approve	They are clearing where clearing needs to happen.
F	55-64	SW	Uncompahgre River	Strongly Approve	My local fire district does migration to make sure that dead trees are cut down and fires don't start
F	65+	SW	Uncompahgre River	Strongly Approve	Seems when there's a fire they respond immediately and get the fire under control.
F	65+	SW	Uncompahgre River	Strongly Approve	The local firefighters are excellent. They controlled a fire on Main Street here in Montrose rapidly and efficiently. However, fires in the county seem to be less well responded to. The one in the county was set as a controlled burn which was left too early by CPW.
M	65+	SW	Uncompahgre River	Strongly Approve	Quick response

Colorado Fire Protection Policy Opinion Survey

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
M	65+	SW	Uncompahgre River	Strongly Approve	They've been very responsive, and prompt on the smaller fires that have existed.
F	45-54	SW	Uncompahgre River	Strongly Approve	Fire department in my area is mostly volunteer there is only a few paid positions and these men/woman go out and fight without a complaint. Our fire department paid or unpaid love our community and do there best to keep us safe
F	55-64	NE	Big Thompson River	Somewhat Approve	I feel they do what they can when they can with what they have but I have lived through a wildfire coordination etc was lacking
F	55-64	NE	Big Thompson River	Somewhat Approve	We got through the summer with no fires or at least significant fires. I'm somewhat ignorant as to how much our fire departments are doing.
F	65+	NE	Big Thompson River	Somewhat Approve	We have had no issues
M	65+	NE	Big Thompson River	Somewhat Approve	Have very responsive to extinguish fires quickly
F	18-34	NE	Big Thompson River	Somewhat Approve	I don't know much about the specific initiatives from the fire department but I appreciate their on-going commitment to making sure communities are safe in the face of fire
M	18-34	NE	Big Thompson River	Somewhat Approve	They have kept measures in place to ensure that human caused fires are kept to a minimum however these measures aren't enforced or easily found nor as widely conveyed as they have been in past years. For example, people from out of state come here to camp, etc, and don't understand that fire safety is a huge issue and needs to be respected and followed.
F	35-44	NE	Big Thompson River	Somewhat Approve	They're doing the best they can with what they have.
F	35-44	NE	Big Thompson River	Somewhat Approve	They're doing the best they can with the resources available, but we'd like to see more resources and more prevention planning.
M	35-44	NE	Big Thompson River	Somewhat Approve	Threat of wildfire is limited. Affected area has station with appropriate equipment at it. Mitigation and fuels programs are lacking.
M	45-54	NE	Big Thompson River	Somewhat Approve	Response time is outstanding and helpful.
F	55-64	NE	Coal Creek	Somewhat Approve	Control burn  are a way but building house close together is a big concern for the fire can grow bigger than having the father apart would prevent fires to other structures
F	55-64	NE	Coal Creek	Somewhat Approve	They are not tough enough on requiring owners and locals to fire mitigate.

Colorado Fire Protection Policy Opinion Survey

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
M	55-64	NE	Coal Creek	Somewhat Approve	Newer an more fire apparatus and personnel. They seem to be keeping up as best as possible with the population Constantly on the rise. And that is what will increase fire danger ,be it structural or Wild-land. More people = More risk.
F	65+	NE	Coal Creek	Somewhat Approve	They are always available
F	65+	NE	Coal Creek	Somewhat Approve	They are doing well to educate themselves and us about mitigation and prevention methods
M	65+	NE	Coal Creek	Somewhat Approve	No issues I've heard of.
M	65+	NE	Coal Creek	Somewhat Approve	Proactive in providing mitigation advice
M	65+	NE	Coal Creek	Somewhat Approve	The fire department needs more money for... 1. Fire Prevention 2. More education for homeowners who live in forested areas.
F	18-34	NE	Coal Creek	Somewhat Approve	I know that there are fire mitigation projects happening in Boulder county all of the time. I think we need to fund more mitigation projects and pay better so that the crews develop more professionalism and aren't constantly having to recruit. I think there also needs to be a lot more put into wildland firefighter safety.
F	18-34	NE	Coal Creek	Somewhat Approve	The fire department needs to do fire risk management by doing controlled brush fires. The reason why the fires continue to burn is because there is too much dry wood in Boulder county.
F	18-34	NE	Coal Creek	Somewhat Approve	They take extreme caution when asking people to evacuate (wider area than before Marshall Fire). They work hard to contain fires quickly.
M	18-34	NE	Coal Creek	Somewhat Approve	I know they have purchased their own helicopter to keep on standby so they are not sharing with other states.
M	18-34	NE	Coal Creek	Somewhat Approve	The Marshal Fire started across the street from me. Even with the amount of devastation the fire brought it would have been an order of magnitude worse without the efforts of the Fire Department.
M	18-34	NE	Coal Creek	Somewhat Approve	They're doing okay, but the people in my area don't really care and think it's some "liberal bullshit".
O	18-34	NE	Coal Creek	Somewhat Approve	Haven't heard anything negative
F	45-54	NE	Coal Creek	Somewhat Approve	Poor emergency notification during Marshall Fire

Colorado Fire Protection Policy Opinion Survey

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
F	45-54	NE	Coal Creek	Somewhat Approve	They are doing what they can considering the dry climate and lack of resources and funding provided to them.
M	45-54	NE	Coal Creek	Somewhat Approve	Quick responses, but no enforcement of fireworks ban, which I get as you can't send out a car for every idiot.
F	55-64	NE	Table Mtn.	Somewhat Approve	Respond quickly and in the event of grassland fires they have had good success
F	55-64	NE	Table Mtn.	Somewhat Approve	They're very dedicated
F	55-64	NE	Table Mtn.	Somewhat Approve	We have not had an immediate fire in my area so there's not a reason to disapprove. Only know that people, and crime, weather hazards have increased
M	55-64	NE	Table Mtn.	Somewhat Approve	Brush collection services and public notices. Encouragement to develop defensible space.
M	55-64	NE	Table Mtn.	Somewhat Approve	They send plenty of people on fires so eventually the fire will go out. Medica response is a huge concern
F	65+	NE	Table Mtn.	Somewhat Approve	I have to trust them .
F	65+	NE	Table Mtn.	Somewhat Approve	I live in the city.
F	65+	NE	Table Mtn.	Somewhat Approve	No house fires that have spread to additional dwellings
F	65+	NE	Table Mtn.	Somewhat Approve	They probably helped with the Louisville/Marshall fire. In my area I think they mainly provide services to the elderly when there's an emergency.
M	18-34	NE	Table Mtn.	Somewhat Approve	I don't think they will let a fire in Denver spread at all.
M	18-34	NE	Table Mtn.	Somewhat Approve	They are working with the budget they have but they are focusing mostly on the wealthier communities. There needs to be more funding available so that everyone can benefit.
M	18-34	NE	Table Mtn.	Somewhat Approve	They do fire mitigation and controlled burns in Ken Caryl
F	35-44	NE	Table Mtn.	Somewhat Approve	I always see them responding to calls in the community

Colorado Fire Protection Policy Opinion Survey

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
F	35-44	NE	Table Mtn.	Somewhat Approve	The fact that they are responding to and putting their lives at risk to immediately stop and contain fires for endless hours without food, water and rest and seeing their loved ones seems to be the only affiliate of the entire united states government that is actively and purposefully trying to help humanity. Colorado government needs to do more for affordable health care, helping homeless, middle class and low income families, protecting the environment, stoping industry growth and stopping wildfires and protecting neglected animals. I don't see any effort, I don't see any attempt. The fire department is the only entity doing anything helpful and worthwhile.
M	35-44	NE	Table Mtn.	Somewhat Approve	Genesee Fire is active in mitigating wildfire risk and provides resources to community members to decrease their risk.
M	35-44	NE	Table Mtn.	Somewhat Approve	I live in Denver and they do fine. But they deal more with the risk of structure fires, so kind of different. I do have a lot of family that live in more rural areas and wildfires are always a concern. I just hope they're well-prepared for an uncommon event.
M	35-44	NE	Table Mtn.	Somewhat Approve	I live in Denver. Other than the Marshall fire the risk in my neighborhood (West Highlands) is low. They do their best to eliminate dangers such as fireworks, and they let us know the danger if there is is one on a day to day basis.
M	35-44	NE	Table Mtn.	Somewhat Approve	Well some of the reasons why I approve why the Fire Dapartment. Is approving . The an the job improvement. Is because we need to be safe as a Community an a State.
F	45-54	NE	Table Mtn.	Somewhat Approve	Fire dept next to Eaglecrest H.S responds quickly.
F	45-54	NE	Table Mtn.	Somewhat Approve	I haven't experienced a fire near me in order to give a good example.
M	45-54	NE	Table Mtn.	Somewhat Approve	Doing their best with what they have and the number of firefighters they have, buy they need more
M	45-54	NE	Table Mtn.	Somewhat Approve	Good maintenance of defense structures.
M	45-54	NE	Table Mtn.	Somewhat Approve	They do a good job over all-mitigation COULD be implemented though to harvest the dead wood currently infesting the forest

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
F	55-64	NW	CO River	Somewhat Approve	I dot think they are the ones who decide "control burns or getting rid of the dead trees" that is who needs to step up.
F	55-64	NW	CO River	Somewhat Approve	They keep their training and equipment up to date
F	65+	NW	CO River	Somewhat Approve	Built new stations to increase coverage
F	65+	NW	CO River	Somewhat Approve	They do the best they can with what they have
M	65+	NW	CO River	Somewhat Approve	They seem to be trying to make the problem go away by trying to get on top of the situation as it happens.
M	18-34	NW	CO River	Somewhat Approve	I think they are doing an amazing job with mitigation, prescribed burns and preparedness. I think they have gone a little too far with construction ordinances. For instance, you can no longer build decks with wood or even composite materials for that matter. They require astm e 84 class A. Which is way over kill.
M	18-34	NW	CO River	Somewhat Approve	It seems that they do a pretty good job, and I haven't ever heard anything that suggests otherwise.
F	35-44	NW	CO River	Somewhat Approve	I'm not In the loop on what they're doing but it seems good. There is a local community working on wildfire mitigation and education regarding the home ignition zone
F	45-54	NW	CO River	Somewhat Approve	I think they do best they can with resources they have. The fires we've had in last few years were controlled as soon as possible.
M	45-54	NW	CO River	Somewhat Approve	Because they are doing the best job that they can.
M	18-34	NW	Headwaters	Somewhat Approve	I'd like to see more forward thinking about the growing Wildland fire concern, they seem to be very reactionary and not as proactive as I'd like.
M	35-44	NW	Headwaters	Somewhat Approve	Doing best they can with limited resources
M	35-44	NW	Headwaters	Somewhat Approve	They are creating fuel breaks in the forests
M	35-44	NW	Headwaters	Somewhat Approve	Troublesome fire opened there eyes
M	55-64	NW	Yampa River	Somewhat Approve	Volunteer fire department and they have a good group
F	55-64	SE	Arkansas River	Somewhat Approve	Assertive, inclusive hiring and training practices.
M	55-64	SE	Arkansas River	Somewhat Approve	I have no issues other than the lack of transparency with the Pueblo fire department encrypting their radio communications channels !!!!
M	55-64	SE	Arkansas River	Somewhat Approve	They built a new station near me as the community grew

Colorado Fire Protection Policy Opinion Survey

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
M	65+	SE	Arkansas River	Somewhat Approve	They put out the fires so far
F	45-54	SE	Arkansas River	Somewhat Approve	They're good.
F	55-64	SE	Pikes Peak	Somewhat Approve	Don't really have a reason, just assuming that their getting the info out!
F	55-64	SE	Pikes Peak	Somewhat Approve	Some of it is restricted by budget and hiring
F	55-64	SE	Pikes Peak	Somewhat Approve	They do a good job.
F	55-64	SE	Pikes Peak	Somewhat Approve	They're building more fire stations and hiring more fire fighters
M	55-64	SE	Pikes Peak	Somewhat Approve	They are doing fire mitigation inspections in rural areas.
M	55-64	SE	Pikes Peak	Somewhat Approve	They have a good response time!
F	65+	SE	Pikes Peak	Somewhat Approve	They are taking measures to educate people on the dangers of fires.
F	65+	SE	Pikes Peak	Somewhat Approve	They do a great job educating the public on fire risk and mitigation, as well as timely response to fire calls.
M	65+	SE	Pikes Peak	Somewhat Approve	My home didn't burn in the Waldo Canyon fire. Missed us by 1-2 blocks, thanks to COFD!
M	65+	SE	Pikes Peak	Somewhat Approve	They have undertaken educational measures
M	18-34	SE	Pikes Peak	Somewhat Approve	So far every fire has been quickly controlled
M	18-34	SE	Pikes Peak	Somewhat Approve	When we called them in the past, they were impressively responsive
F	35-44	SE	Pikes Peak	Somewhat Approve	The fire department is great. It's the developers and city planners that are creating escape plan issues for people in my local area/neighborhood.
F	35-44	SE	Pikes Peak	Somewhat Approve	They are doing the best they can the last couple fires that were in town were put out quickly and I don't believe anyone died
F	45-54	SE	Pikes Peak	Somewhat Approve	Our local fire department is responsive to wildfires and wildfire risk but I think there needs to be better education for campers. The perceived increased risk is from more people coming to the mountains and being irresponsible.
F	45-54	SE	Pikes Peak	Somewhat Approve	They are our 1st responders. They risk their lives on a daily basis.
F	45-54	SE	Pikes Peak	Somewhat Approve	They are out and about
M	45-54	SE	Pikes Peak	Somewhat Approve	Fire bans are great for dumb people but there are still Some primates out there that don't care
M	45-54	SE	Pikes Peak	Somewhat Approve	It's a small, rural community. They do the best they can
M	45-54	SE	Pikes Peak	Somewhat Approve	The city has not burned down yet.
F	55-64	SE	San Luis Valley	Somewhat Approve	We appreciate our volunteers.

"Please describe the reasons why you approve of the job your local fire department or fire district is doing."

Sex	Age Range	DFPC District	DFPC Region	Approval of Local Dist./Dept.	Response
M	45-54	SE	Southern Plains	Somewhat Approve	Because they have been on top of the threat
M	35-44	SW	Gunnison River	Somewhat Approve	They are a full volunteer department with a big district. They run many different kinds of calls and are pretty busy for a small town department.
M	55-64	SW	San Juan River	Somewhat Approve	Outreach and leadership programs.
F	55-64	SW	Uncompahgre River	Somewhat Approve	Our local fire dept seems very active in our community and well staffed and funded
F	65+	SW	Uncompahgre River	Somewhat Approve	Seems like like most fires are taken care of in a timely way.
O	45-54	SW	Uncompahgre River	Somewhat Approve	They are great.
